INDEPENDENT AUDITOR'S REPORT

Fire Chief and Board of Directors  
Mid-Columbia Fire & Rescue  
The Dalles, Oregon 97058

**Report on the Financial Statements**

We have audited the accompanying modified cash basis financial statements of the governmental activities, each major fund, and aggregate remaining fund information of Mid-Columbia Fire & Rescue District, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Opinions***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, each major fund and the corresponding budgetary comparisons, and the aggregate remaining fund information of Mid-

Columbia Fire and Rescue, as of June 30, 2019, and the respective changes in modified cash basis financial position for the year then ended in accordance with the modified cash basis of accounting as described in Note 1.

***Basis of Accounting***

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

***Other Matters***

*Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements as a whole that collectively comprise Mid-Columbia Fire and Rescue's basic financial statements. The introductory section, and combining and individual budgetary basis fund financial statements, which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual budgetary basis fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other information is fairly stated, in all material respects, in relation to the basic financial statements as a whole on the basis of accounting described in Note 1.

The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

**Report on Other Legal and Regulatory Requirements**

In accordance with Minimum Standards for Audits of Oregon Municipal Corporations, we have issued our report dated December 17, 2019, on our consideration of compliance with certain provisions of laws and regulations, including the provisions of Oregon Revised Statutes as specified in Oregon Administrative Rules. The purpose of that report is to describe the scope of our testing of compliance and the results of that testing and not to provide an opinion on compliance.
